Dayton's Bluff Phalen Creek / Burlington Northern Trail

Date	Miles	Date	Miles

On the first Saturday of each month at 10:30^{AM}, the group meets in Indians Mounds Park at Earl Street and Mounds Blvd. Our hiking course takes us through Mounds Park to the end of the new recreational trail at Johnson Parkway and Maryland Avenue, near Phalen Park. Along the way we will share stories about local history.

The entire route runs approximately 5 miles with some moderately rough terrain. Return transportation is available at the end of the hike, or you may walk back if you wish.

Join trail supporters and explore this new recreational trail. The newly paved trail runs from East 7th Street and Payne Avenue through Swede Hollow to Phalen Park. Dayton's Bluff Take a Hike started in December of 1990. Since that time, about 350 people have joined us for a Saturday morning hike. For more information, call (615) 776-0550.
